For any questions or concerns,
please contact us at: support@vivlly.com

Designed in the USA, Manufactured in Vietnam

IMPORTANT INFORMATION

Ensure you place the stand on a **leveled ground**. Placing it on uneven ground can cause the tank to tip or the **aquarium to leak**.

Do not place an aquarium of **higher capacity** than recommended on this stand. It can lead to **damaging** the stand.

Small children should not be allowed to **play with or climb on** this stand. **It can cause serious injury**.

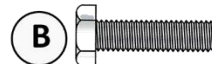

Make sure that all parts necessary for assembling are provided.
The parts provided are shown below.

PLEASE NOTE: The Aqua tank is not part of this product

LIST OF PARTS

M6x15 Hexagon Bolt (3)

M6x40 Hexagon Bolt (8)

Designed in the USA, Manufactured in Vietnam

2

ATTACHING TOP SHELF TO LEGS

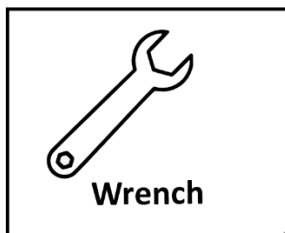

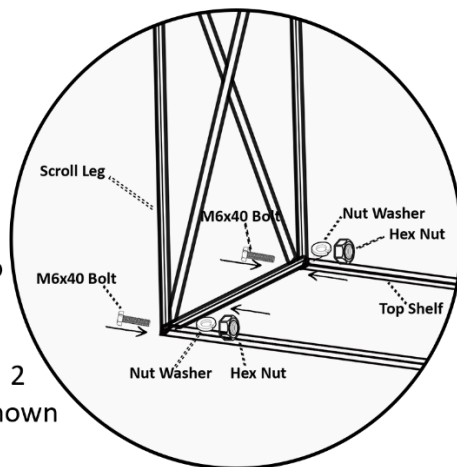

STEP 1: Place the top shelf upside down for fixing.

STEP 2: Connect the scroll leg to the top shelf as shown.

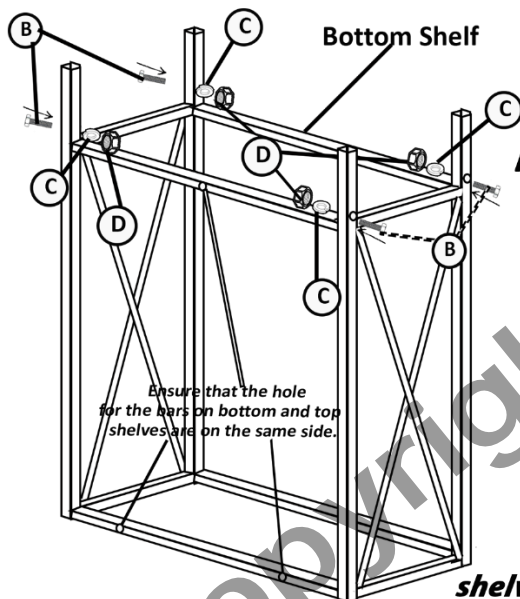

STEP 3: Secure them using 2 M6x40 Bolts, 2 Nut washers and 2 Hex Nuts through the holes as shown using the wrench supplied.

STEP 4: Connect the other side and repeat the process.

Ensure to leave the nuts slightly loose for adjustment later

Wrench

ATTACHING BOTTOM SHELF TO LEGS

STEP 5:

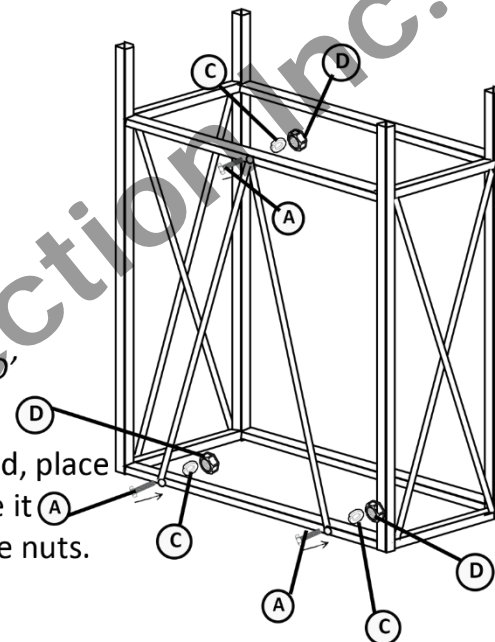

Position and attach the bottom shelf in the scroll legs as shown. Insert the 4 Bolts indicate 'B'. Tighten them with Nut washers 'C' and Hex Nuts 'D'.

Remember to align bar stand holes on both shelves to be on the same side

ATTACHING SIDE BARS TO FRAME

STEP 6: Position the bars on the frame as shown and insert the indicated bolts 'A'. Insert the Nut washers 'C' and Hex nuts 'D' to secure the Bolts.

STEP 7: On a leveled ground, place the rack upright and ensure it is leveled then tighten all the nuts.

CARE AND MAINTENANCE

- Always wipe any water droplets on the frame surface.
- Abrasive material can damage the surface of the frame. Do not use them.

WARRANTY

Product warranty: 90-Day coverage against defects by Vivlly company. The warranty covers defects for 90 days from purchase. It does not include fish loss, tank damage, or personal injury. Modifying the stand voids the warranty. Return defective parts for replacement.
