For [RFP Issuing body/buyer], we have prepared a service approach that aligns with the Scope of Work, Planned Preventive Maintenance schedules, and attachments contained in the RFP. We have paid particular attention to the balance between routine cleaning and event-driven demands, recognizing that your site combines daily community use with festivals, performances, and seasonal activities.

Our proposed model has integrated staffing for base operations, porter coverage for high-traffic

periods, and flexible resources that can be assigned to pre-event, during-event, and post-event cleaning needs.
