# 1. Introduction Letter

[COMPANY] submits this response to [ISSUING BODY] for [SOLICITATION #]. We understand this RFQ is intended to establish a pre-qualified vendor list to provide staffing support on an as-needed basis across [ISSUING BODY] locations, including hard-to-staff care homes.

███████████████████████████████████████████████████
███████████████████████████████████████████████
███████████████████████████████████████████████████████
███████████████████████████████████████████████████████
████████████████

This delivery scale demonstrates [COMPANY]'s ability to maintain reliable coverage across multiple sites while meeting compliance expectations and minimizing last-minute staffing gaps. It also reflects an operating model designed to support hard-to-staff locations and integrate into existing care teams without increasing administrative burden for site leadership.

[ISSUING BODY]'s mission and values set a █████████████████████
█████████████████████████████████████████████████████
█████████████████████████████████████████████████████
█████████████████████████████████████████████
██████████████████████████████████████████████
█████████████████████████████████████████████████████
████████████████

As a healthcare staffing and workforce support services provider, [COMPANY]'s service model is structured to ███████████████████
████████████████████████████████████████████
███████████████████████████████████████████████████████
█████████████████████████████████████████
█████████████████████████████████████████████████████
█████████████████████████████

[COMPANY] also partners directly with ███████████████████████
███████████████████████████████████████████████
███████████████████████████████████████████████
███████████████████████████████████████████████

[COMPANY] is prepared to support [ISSUING BODY]'s Alberta and British Columbia locations with reliable and compliant staffing coverage that prioritizes continuity of care, minimizes last-minute disruptions, and aligns with [ISSUING BODY]'s operational, regulatory, and community standards.
